E-mail monica.cariola@ircres.cnr.it  
Nationality Italian  
Date of birth 10 JULY 1962  
Gender Female

#### Summary

Laurea 110/110 cum laude in Economics (1988), University of Turin and postgraduate in Foresight at PREST, Manchester University (UK). After 2 year as Economic-financial Analyst in a Company operating in R&D on innovative processes for producing Metals, since 1989 she is Research scientist at IRCrES, (former CERIS) the Research Institute on Sustainable Economic Growth of the National Research Council of Italy (CNR), the main institute of CNR specialized in applied industrial, environmental and managerial economics, where she has been Scientific Leader of the Research Units "Innovation" and "Innovative public policy evaluation". She has been Project leader for IRCrES-CNR in several European/National Research Projects, especially in the field of innovation, economic-social impact analysis of green technologies, technology Foresight, public policies analysis and evaluation (e.g.. EU Project "iMERA-ERA NET" 2004-2007; EU-FSE POR, 2000-2006; EU Project EQUAL- PRIMEALI, 2005-2008; NANOBUILD" within POR FESR 07/13). In the building sector she was responsible of the research projects within the Innovation Pole on "Environmentally sustainable Building" (Piedmont Region, 2010-2015) and task leader within the CSA H2020 "HAPPEN - Holistic Approach and Platform for the deep renovation of the Med residential built Environment" (2018-2021). In the marine sector, with reference to sustainable technologies/resources, she has been responsible of an OU within the RITMARE governmental project (2012-2016) and coordinator of "The Economy Mirror Platform - Economic sectors of Blue Growth" within the European CSA BLUEMED (Horizon 2020, 2017-2021). From 2002 to 2006 she has been visiting professor at the Turin Polytechnics for the courses of "Economics" and of "Management". Among the others, she is member of the "International Foresight S&T Group", supporting the CNR strategic planning. Her extensive research and publications are in particular on: economics of innovation and industrial economics, social-economic impact of green technologies, sector analysis, technology foresight policies and methodologies, innovation and social policies evaluation.

## WORK EXPERIENCE

- Dates (from – to) SINCE 1989 TO PRESENT
  - Name and address of employer IRCRES-CNR, Institute of Research on Economic Sustainable Growth - National Research Council of Italy – Via Real Collegio 30, Moncalieri (Turin), Italy (Former CERIS-CNR Institute of Research on Firm and Growth)
  - Type of business or sector Public research organisation
  - Occupation or position held Senior Research Scientist
  - Main activities and responsibilities Main Research Areas: economics of innovation and industrial economics; economic-social impact analysis of green technologies; technology foresight policies and methodologies; innovation and social policies evaluation.
- Scientific Responsibility of the Research Unit “Innovation” at Ceris-CNR.  
Scientific Responsibility of the Research sub-Unit “Evaluation of Innovative Public Policies” at Ceris-CNR.  
From 2002 to 2010, Institute Scientific Committee Member at Ceris-CNR  
From 2006 to 2008, Research Associate, INRIM-National Institute of Metrological Research (Torino, Italy)

### WP or Task leader of the following Research Projects at IRCRES-CNR (former Ceris-CNR):

- 1995-1998 - Row materials resistant to corrosion: titanium metal. Technical and economic analysis. - Institute project;
- 2004-2007 - European project “iMERA - implementing the Metrology European Research Area - ERA NET Coordinating Action – Task on technological Foresight;
- 2005-2008 -European project EQUAL- PRIMEALI – Task on project monitoring and evaluation
- 2006-2009 - Independent evaluation POR – FSE (Regional Operative Plan of the European Social fund) Ob.3 2000-2006, Lombardy Region
- 2009-2015 - Projects within the Innovation Pole on “Environmentally sustainable Building and Hydrogen”, promoted by Piedmont Region, POR FESR 07/13
- 2011-2012 - Feasibility Study “NANOBUILD” within POR FESR 07/13, Measure I.1.3 Piedmont Region
- 2012-2016 - “Bioeconomic modelling tools interfaced with Scenario Analysis”, within the Italian Flag Project “RITMARE”
- 2017 – Member of the Panel of Fisheries Experts in the Project “FISH-IN-SEA - Fisheries, Innovation, Sustainability Environmental Assessment”, DIBAF – Tuscia University, fund by Italian Ministry of Agriculture, Food and Forestry Policies
- 2017-2020 - Responsible of “The Economy Mirror Platform (Economic sectors of Blue Growth economy in the Mediterranean)”, within the BLUEMED European Coordination and Support Action (Project number: Horizon 2020, BG-13-2016, CSA);
- 2018-2021 - European CSA, Horizon 2020 “HAPPEN- Holistic Approach and Platform for the deep renovation of the Med residential built Environment”, 2017-2021

### Networks and Working Groups:

- Member Coordinators Group of the Italian Platforms within BLUEMED European Coordination and Support Action, Horizon 2020.
- Member “International Foresight S&T Group”, supporting the CNR (Italian National Research Council ) strategic planning.
- Member NANOFUTURES - ETIP (European Technology and Innovation Platform).
- Member ETEPS - European Techno-Economic Policy Support Network.
- Member “European Regional Foresight Association” – Center of Technology Assessment in Baden-Württemberg, Stuttgart, Germany
- Member Innovation Pole on “Environmentally sustainable Building and Hydrogen”, promoted by Piedmont Region.
- PICMET Country Representative - Italy (“Portland International Centre on Management of Engineering and Technology”, Portland State University - USA).
- Member “Euromediterranean Network NETRI-Med”.
- Member AIV (Italian Evaluation Association).

- Dates (from – to) From 2006 to 2008
- Name and address of employer INRIM-National Institute of Metrological Research (Turin, Italy)
  - Type of business or sector Public research organisation
  - Occupation or position held Research Associate
- Main activities and responsibilities Participation in the European ERA-Net project iMERA and other research activities
  
- Dates (from – to) From 2002 to 2006
- Name and address of employer Polytechnic University of Turin (Italy)
  - Type of business or sector Public research and teaching organisation
  - Occupation or position held Visiting professor
- Main activities and responsibilities Teacher of "Economics" and "Management" (in the courses of Mechanical engineering and Electrical engineering)
  
- Dates (from – to) 1988-1989
- Name and address of employer Ginatta S.P.A. – Turin (Italy)
  - Type of business or sector Company operating in R&D on Non-ferrous Metals
  - Occupation or position held Economic-financial Analyst
- Main activities and responsibilities Feasibility studies of research projects, Business plans

## EDUCATION AND TRAINING

- Date 1988
- Name and type of organisation providing education and training University of Turin - Italy
- Principal subjects/occupational skills covered Economics
- Title of qualification awarded Degree in Economics (Laurea magistrale)
- Level in national classification (if appropriate) 110/110 cum Laude
  
- Date 2013 - Summer School in "Statistics for Economics and Social Sciences", Rome, TStat S.r.l.
  - 2012 – "Econometric Analysis" Summer school – SDIPA, Calabria University (Italy)
  - Date 2012 - "Consumer Analytics Advanced Program" post-graduate course - Alma Graduate School, Bologna University-Italy
  - 2004 - "Foresight post-graduate course" - PREST - Institute of Innovation Research and Science and Technology Policy, Manchester University (UK).
  - Date 2002 - "Evaluation and Impact analysis Course" - Evaluation Project, Turin (Italy)
  - Date 2001 - "Evaluation and Performance analysis Course" - Evaluation Project, Turin (Italy)
  - Date 1999 - "Evaluation Methodologies applied at Public Bodies results" - LIUC University, Castellanza (Varese, Italy)
  - Date 1993 - "Advanced Econometrics Course" – The WEFA Group – Turin (Italy)
  - Date 1992 - "Basic Econometrics Course" – The WEFA Group – Turin (Italy)
  - Date 1987 - "Auditing Course" - Ordine Dottori Commercialisti of Turin (Italy)
  - Date 1987 - Stage A.I.E.S.E.C on Management and Finance at FIAT-IVECO S.P.A.

## PERSONAL SKILLS AND COMPETENCES

*Acquired in the course of life and career but not necessarily covered by formal certificates and diplomas.*

MOTHER TONGUE ITALIAN

OTHER LANGUAGES

- Reading skills
- Writing skills
- Verbal skills

#### SOCIAL SKILLS AND COMPETENCES

#### ORGANISATIONAL SKILLS AND COMPETENCES

*Coordination and administration of people, projects and budgets; at work, in voluntary work (for example culture and sports) and at home, etc.*

ENGLISH ("First Certificate in English" – Cambridge University, 1993)

ALTE C1 level

ALTE C1 level

ALTE C1 level

From 2002 to 2006, visiting professor at the Turin Polytechnics for the course of "Economics".  
2005-2006 visiting professor at the Turin Polytechnics for the course of "Management".

Referee for some International Journals in the field of environmental Economics

Coordination and administration of research task groups and research projects.

Chairman in International Conferences sessions.

From 1992 registered Journalist (register of the Piedmont journalists' association, Italy)

### ANNEXES Published works and Conferences

#### ANNEXES

#### Selected published works and Conferences

##### Journal articles
