

PERSONAL INFORMATION **Lucio Morettini**

Gender M | Date of birth 05/05/1981 | Nationality Italian

WORK EXPERIENCE

1<sup>st</sup> September 2014 ~

**Researcher**

National Research Council of Italy - Research Institute on Sustainable Economic Growth (IRCrES – CNR).

- Analysis of Higher Education Policies in European Countries and analysis of career path of PhD graduates
- Participation to the project "IMPACT EV - Evaluating the impact and outcomes of the EU SSH research" on definition of social impact of research in the field of human and social sciences in Europe and the implementation of evaluation indicators.
- Collaboration to the project "PREF - Analysis of national public research funding, by theme and by type of allocation".

**Sector** Research at Public Research Institution

1<sup>st</sup> November 2011 –  
31<sup>st</sup> August 2014

**Postdoctoral Research Fellow**

Institute for the Study of Regionalism, Federalism and Self Government (ISSIRFA – CNR)

- Annual research grant, renewed after positive evaluation of activity.
- Research activity focused on the study of regional support policies to the economic and technological development of the territory.
- Analysis of the concentration of R&D activities at sub-regional level, on the dynamics of use of European funds between regions and within regions and on the elements that characterize the decisions of investments of companies in Italian regions.

**Sector** Research at Public Research Institution

EDUCATION

2005 – 2010 **Dottorato di ricerca**

EQF level: 8

“Sapienza” Università di Roma

- Thesis title: “Essays on Economics of Education”
- Study subject: Economics of Education, Labour Economics, Public Economics, Applied Microeconomics
- Date of dissertation: 8<sup>th</sup> October 2010
- Supervisor: Prof. Giuseppe Croce
- Thesis committee: Prof. Claudio Gnesutta, Prof. Stefano Staffolani, Prof. Luca Beltrametti

January – July 2008 **Visiting Student**

Department of Economics, University of Leicester, United Kingdom

- Study subject: Economics of Education, Labour Economics
- Supervisor: Prof. Gianni De Fraja

2000 – 2005 **Laurea in Economia e Commercio**

EQF level: 7

"Sapienza" Università di Roma

- *Laurea* in Economics
- Thesis title: "Politiche infrastrutturali per lo sviluppo economico del Mezzogiorno d'Italia: teorie ed effetti"
- Study subject: Development Economics, Public Economics, Regional Economics
- Date of dissertation: 5<sup>th</sup> October 2005
- Supervisor: Prof. Ferruccio Marzano
- *Summa cum laude*

## PUBLICATIONS

## Journal articles

- Stakeholders' role to produce impact from social science research: what lessons for evaluation? *fteval Journal for Research and Technology Policy Evaluation*, n. 48, pp. 143-151 (2019) (Joint with Emanuela Reale and Serena Fabrizio)
- Carriere e mobilità dei ricercatori nelle scienze sociali e umane: un percorso differente? *Welfare e Ergonomia*, 1/2019, pp. 123-138 (2019) (Joint with Emanuela Reale and Antonio Zirilli)
- Valutare l'impatto sociale della ricerca nelle scienze sociali e umane: dall'engagement, alle relazioni produttive e dialogic learning *Welfare e Ergonomia*, 1/2019, pp. 123-138 (2019) (Joint with Emanuela Reale and Serena Fabrizio)
- Moving, remaining, and returning: international mobility of doctorate holders in the social sciences and humanities *Higher Education*, vol. 78, n.1, pp.17-32 (2019) (Joint with Emanuela Reale and Antonio Zirilli)
- Career mobility of PhD holders in Social Sciences and Humanities: evidences from the POCARIM project *Int. Journal of Computational Economics and Econometrics*, Vol. 9, n.1/2, pp. 138-152 (2019) (Joint with Emilia Primeri, Emanuela Reale, Antonio Zirilli)
- The concentration of knowledge activities in Italy. An analysis at local level. *Foresight-Russia*, Vol. 7, No. 2. Pp. 28–39 (2013) (Joint with Giorgio Sirilli and Giulio Perani) (in Russian)

## Book chapters

RESEARCH PROJECT

1<sup>st</sup> September 2014 – 31<sup>st</sup>  
October 2018

**IMPACT – EV Evaluating the impact and outcomes of EU SSH research**

Funding institution: European Union, 7<sup>th</sup> Framework Programme

Project coordinator: Ramon Flecha

Grant agreement n° 613202 data 1° January 2014

Purpose of the project: develop a permanent system of selection, monitoring and evaluation of impact of research in social sciences and humanities, not only as a scientific impact but especially as political and social impact.

1<sup>st</sup> January 2015 – 30<sup>th</sup> June 2018**PREF: Analysis of national public research funding, by theme and by type of allocation**

Funding institution: European Commission, Joint Research Centre

Tender Procedure no. JRC/BRU/2014/A.1/0001/OC

Purpose of the project: analysis of national public research funding by theme and by type of allocation (funding based on the competitive project compared to institutional block funding) which aims to provide an overview of the evolution of public research funding in the European Member States.

1<sup>st</sup> October 2006 –  
28<sup>th</sup> February 2009**INEQ - Inequality: Mechanisms, Effects and Policies**Funding institution: European Union, 6<sup>th</sup> Framework Programme

Project coordinator: Maurizio Franzini

Grant agreement n° 29093 data 1<sup>st</sup> April 2006

Purpose of the project: investigate the economic and social mechanisms that are producing and making persistent inequality within European countries and between countries of the European Union, study the effects of inequality on economic performance and on social integration in Europe, identify policies applicable at national and European level.

**EDITORIAL AND REFEREEING  
ACTIVITY**

July 2013 ~

**International Journal of Computational Economics and Econometrics**

- Member of editorial board since 8<sup>th</sup> January 2016
- Editorial activity on the choice of the contents of the journal
- Refereeing activities, with a review average of two articles per year.

December 2014 ~

**Journal of Small Business Management**

- Refereeing activities, with a review average of two articles per year.

**TEACHING ACTIVITY**8<sup>th</sup> – 10<sup>th</sup> May 2018**TAIEX Study Visit on Measurement and analysis of innovation system performance in Scientific Research and Technology**

National Research Council of Italy - Research Institute on Sustainable Economic Growth (IRCrES – CNR).

- Study visit organized joint with EU Commission's Directorate-General for European Neighbourhood Policy and Enlargement Negotiations
- Aim of the course is to provide training in the field of "Measurement and analysis of innovation system performance" in science, technology and innovation in favor of researchers from Academy of Scientific Research and Technology of Egypt
- During the course, I provided information on issues for measurements and analysis of the performance of national and regional innovation systems. The course has been held in English.

27<sup>th</sup> – 28<sup>th</sup> November 2014**Risis Training - Joint and Open Research Programmes: features and potentialities of the JOREP database**

National Research Council of Italy - Research Institute on Sustainable Economic Growth (IRCrES – CNR).

- Short training course on the potentialities of the JOREP database. During the course, I provided information on the flexibility of the database and the possible analysis that can be implemented. The course has been held in English.
- Total hours of the course: 10

October 2014 – July 2015

**Indicatori di Welfare**

Department of social and economic sciences – "Sapienza" Università di Roma

- Collaboration to the course held by dott. Andrea Filippetti
- The course of "Indicatori di Welfare" was part of the Master's Degree in "Policies and Social Services"
- The aim of the course is to provide students instruments to analyze and interpret data on the

- Welfare State system, with a focus on social policies in Italy.
- Total hours of frontal lessons: 18

March 2008 – February 2012

### Economia Politica

Department of Public Economy – “Sapienza” Università di Roma

- Collaboration to the course held by prof. Paolo Guerrieri
- Course in microeconomics independently thought in the course “Economia Politica Canale A – C”
- Total hours of frontal lessons per year: 16

May 2010 – June 2012

### Politica Economica

Department of Public Economy – “Sapienza” Università di Roma, Latina campus

- Course in Economic Policy independently thought undergraduate level.
- Total hours of frontal lessons: 18

October 2007 – March 2008

### Economia Politica

Department of Public Economy – “Sapienza” Università di Roma, Latina campus

- Theoretical and practical lessons of support for students of the Economic Policy courses
- Collaboration and support in the exams sessions.
- Total hours of frontal lessons : 12
- Total hours of collaboration: 40

### ATTENDEND TRAINING COURSE

---

22<sup>nd</sup> – 23<sup>rd</sup> March 2018

### Implementing a National Research Impact Strategy

AESIS – Network for Advancing & Evaluating the Societal Impact of Science

Main topics of the course:

- Developing instruments to define and measure social impact of research
- Implementation of analytical strategy for systematic observation of social impact of research

14<sup>th</sup> – 19<sup>th</sup> February 2011

### Fundamentals and Methods for Impact Evaluation of Public Policies

IRVAPP Research institute for the evaluation of public policies, Fondazione Bruno Kessler

Main topics of the course:

- Fundamental principles of impact assessment with a specific focus on the counterfactual theory of causal inference;
- Presentation of a range of statistical tools for counterfactual analysis (including difference-in-difference and matching methods, regression discontinuity designs and quasi experimental / natural experiments settings).
- Laboratory sessions to provide opportunities to apply the various techniques for the labour market, education and industrial policies.

29<sup>th</sup> November – 1<sup>st</sup> December 2010

### Agent Based Simulations with Laboratory for Simulation Development – LSD

National Research Council of Italy

Main topics of the course:

- Analysis of the Agent-based simulations methodology from both a theoretical and an empirical point of view;
- Simulations of technical elements of programming
- Use of the Laboratory for Simulation Development platform for implementation of simulation models

12<sup>th</sup> – 13<sup>th</sup> April 2007

### Global Sensitivity Analysis for Macroeconomics Models

Euro-area Economy Modelling Centre of the Joint Research Centre, European Commission

Main topics of the course:

- Provide an introduction to global sensitivity analysis methods and their application to macroeconomic models Dynamic Stochastic General Equilibrium (DSGE).

**CONFERENCES AND SEMINAR ORGANIZATIONS**

---

- 26<sup>th</sup> – 28<sup>th</sup> June 2018 **VI International Workshop on Computational Economics and Econometrics**  
**“Machine learning, artificial intelligence and big data: methods and new perspectives for research and society**  
 National Research Council of Italy - Research Institute on Sustainable Economic Growth (IRCrES – CNR).  
 ▪ Organizer and chairman of the session “Blockchain impact on financial markets conformation”
- 14<sup>th</sup> - 16<sup>th</sup> October 2015 **EUSPRI Early Career Researcher Conferences – Crossing Boundaries in Scientific Knowledge Creation and Transmission: Trends, Challenges and Policy Implications**  
 Consiglio Nazionale delle Ricerche – Istituto di Ricerca sulla Crescita Economica Sostenibile, Sede di Roma  
 ▪ Member of organization committee
- Aprile 2015 ~ **Scientific Seminars of IRCrES – CNR, Rome office**  
 National Research Council of Italy - Research Institute on Sustainable Economic Growth (IRCrES – CNR).  
 ▪ Responsible for organizing scientific seminars with external speakers

**CONFERENCES AND SEMINAR PRESENTATIONS**

---

- 2018 ▪ XXI Congresso Nazionale AIV – La Valutazione per uno Sviluppo Equo e Sostenibile, Gran Sasso Science Institute – School of Advanced Studies, L’Aquila  
 Conference paper: “Participatory practices to produce impact in social science research: what lessons for evaluation?”
- CHER 31<sup>st</sup> Annual Conference - Differentiation and Integration in Higher Education: Patterns and Dynamics, National Research University Higher School of Economics, Moscow  
 Conference paper: “Participatory practices to produce impact in social science research: what lessons for evaluation?”
- 2017 ▪ CHER 30<sup>th</sup> Annual Conference - Universities as political institutions - HEIs in the middle of academic, economic, and social pressures, University of Jyväskylä, Jyväskylä  
 Conference paper: “Moving or remaining: international mobility and careers of PhD holders in Social Sciences and Humanities”
- 2016 ▪ IV International Workshop on Computational Economics and Econometrics – Coping with Uncertainty in Complex Socio-Economic Systems, CNR, Rome  
 Conference paper : “Spatial mobility of PhD holders in SSH: evidence from POCARIM survey”
- 2016 Eu-SPRI Conference - Exploring new Avenues for Innovation and Research Policies, University of Lund, Lund  
 Conference paper : “Assessing the impact of research in Social Science and Humanities: A Comparative Perspective on National Evaluation Systems in France and Germany”
- Open Evaluation 2016, Techgate Vienna  
 Conference paper : “Assessing the impact of research in Social Science and Humanities: A Comparative Perspective on National Evaluation Systems in France, Spain and Germany”
- 2015 ▪ III International Workshop on Computational Economics and Econometrics – The Complexity of Economics and the Economics of Complexity, CNR, Rome  
 Conference paper: “Career trajectories of PhD holders in the SSH: do early career choices matter?”
- XX International Conference on Science and Technology Indicators – Research organization under scrutiny. New indicators and analytical results, European Network of Indicator Designers, Lugano, Switzerland  
 Conference paper: “Career trajectories of PhD holders in the SSH: do early career choices matter?”

- 2013
  - Workshop in Innovation Dynamics - School of Economics and Management University of Minho, Braga, Portugal  
Conference paper: "The concentration of knowledge activities in Italy. An analysis at local level."
  - XXV Annual Conference SIEP – La Finanza pubblica nei sistemi multilivello: coordinamento, concorrenza e disciplina fiscale, Pavia, Italy  
Conference paper: Is political competition always good? A model of public policy and political ambition in a multi-level government
  - VII Workshop on Political Economy, CESifo, Dresden, Germany  
Conference paper: Is political competition always good? A model of public policy and political ambition in a multi-level government
- 2012
  - XXXIII Annual Scientific Conference AISRE - Institutions, Network and Geographic Country System: The governance of local and national relations  
Conference paper: "The concentration of knowledge activities in Italy. An analysis at local level."
- 2011
  - 10th Annual Meeting of the EEFS International Conference - Queen Mary University of London;  
Conference paper : "Bribe vs book: how corruption can replace education in job seeking"
  - 6th PhD Presentation Meeting of the Royal Economic Society - City University (London);  
Conference paper : "Social return to education: evidence from cross - sectional data"
- 2010
  - Education and development Workshop – Institut de Recherche et Education: Sociologie et Economie de l'Education – Université de Bourgogne, Dijon, France  
Conference paper : "Social return to education: evidence from cross - sectional data"
- 2008
  - European Association for Evolutionary Political Economy Annual Conference – University of Rome "Roma 3"  
Conference paper: "Competition between education and corruption in the labour market"
