RESEARCH PROJECTS

❖ Scientific responsibilities in funded research projects

National Programme for Research, Innovation and Competitiveness (PN RIC) 2021–2027 – **SSHOpenCloud-IT**. Admission to funding: MUR Ministerial Decree No. 480 of 27 April 2026.

Total project funding amounts: €29,225,000.00.

- (From August 1, 2026 - *ongoing*) **Responsible for the Task 4.3 "Testing of Indicators for Civic and Entrepreneurial Activation across Areas"**.

NRRP-RI project "FOSSR - Fostering Open Science in Social Science Research",

CUP B83C22003950001, funded under the National Recovery and Resilience Plan (NRRP), Mission 4 - Component 2 - Investment 3.1 "*Fund for the establishment of an integrated system of research and innovation infrastructures*", financed by the European Union - NextGenerationEU. Admission to funding: Ministerial Decree MUR n. 110 of June 20, 2022. Total FOSSR project funding amount: € 32,238,188.90.

- (From November 1, 2022 – June 30, 2026) **Responsible for Work Package 8 (WP8 Leader) "Capacity building and training"**; (From November 1, 2022 to September 30, 2025) **Responsible for the Task 9.6 "Promoting Open Access and Transnational Access"**.
- (From November 1, 2024 – June 30, 2026) **Responsible for the Task 3.4 "Online nonstandard panel for economic and societal change survey"** on the creation of the ORP – Online Research Panel.

PRIN 2022 project "PLACES - Portraits and Landscapes of Academic Community

Engagement Scholarship" (id. code 2022C7PR32), funded by the Ministry of University and Research. Partners: University of Sassari, CNR. Total MUR funding: € 202,477; CNR unit funding: € 84,645. Project duration: 2 years.

- (From January 1, 2024 – February 28, 2026) **Responsible for the CNR unit**

❖ Participation in funded research projects

(from July 2019 to October 2023)

EU H2020-European Research Infrastructure for Science, Technology and Innovation

Policy Studies 2 (RISIS 2) funded under EXCELLENT SCIENCE - Research Infrastructures. Grant Agreement number: 824091 — RISIS 2 — H2020-INFRAIA-2018-2020/H2020-INFRAIA-2018-1. Partner: Université Gustave Eiffel, CNR + other 16 European partners.

(from March 2014 to September 2018)

EU-FP7 Research infrastructure for research and innovation policy studies (RISIS) funded under Specific Programme "Capacities": Research infrastructures. Project reference: EU FP7-INFRASTRUCTURES, grant agreement 313082. Partners: Université de Marne La Vallée, CNR + other 14 European partners.

(from August 2019 to October 2023)

PRIN 2017 project "The effects of evaluation on academic research: knowledge production and methodological issues" (protocol number 2017NKWYFC_001), funded by the Ministry of Education,

University and Research. Partners: CNR, University "Carlo Cattaneo" - LIUC; University of Rome "Tor Vergata".

(2015-2017)

Project PREF - Analysis of national public research funding, by theme and by type of allocation (Competitive project funding versus institutional block funding). Project reference: Tender Procedure No. JRC/BRU/2014/A.1/0001/OC by the Joint Research Centre of the European Commission. Contract No. 154321. Partners: CNR-IRCrES, AIT - Austrian Institute of Technology, USI-Università della Svizzera Italiana, NIFU - Nordic Institute for Studies in Innovation, Research and Education.

(2015)

An Analysis of the Role and Engagement of Universities with Regard to Participation in the Framework Programmes. Project reference: EC Tender, Framework Contract: 2012/s 144-240132.

Partners: Ismeri Europa Srl, Politecnico di Torino, CNR-IRCrES (sub-contractor AIT - Austrian Institute of Technology).

❖ Participation in local research projects

(2020-2021)

CNR-IRCrES project **“Il lavoro agile negli Enti di Ricerca: fattori organizzativi e comportamenti individuali nella produzione di conoscenza”**. (*"Agile Work in Research Institutions: Organizational Factors and Individual Behaviors in Knowledge Production"*). Coordinator: Dr. Emanuela Reale.

WORKING GROUPS

(from March 14, 2025 – ongoing)

Scientific Lead and Coordinator of the Working Group “ORP – Online Research Panel”

Scientific and methodological guidance of the Online Research Panel (ORP); Strategic planning and coordination of operational activities (e.g., surveys, panelist refreshment, etc.); Institutional relations concerning the panel; Decisions regarding budget allocation; Supervision of matters related to ethics and privacy; Assessment of requests for access to the panel or panel data (*Prot. 397230/2025*).

- (from December 2024 - ongoing) CNR-IRCrES **Representative for the Joint Research Unit GUIDE.IT**, together with Dr. Valentina Lamonica (*Prot. No. 498019/2024*).
- (from June 2021 - ongoing) **Member of the DSU Working Group “Report on Research and Innovation in Italy”**, tasked with drafting a General Report on the state of Research and Innovation in Italy (*CNR-DSU Provision No. 12/2021*), renamed DSU Working Group “Research and Innovation” (*CNR-DSU Provision No. 5/2024*).
- (from June 2020 to 2022) **Member of the Departmental Working Group for the Three-Year Activity Plan of CNR – Department of Humanities and Social Sciences, Cultural Heritage (DSU) – “PTA DSU”** (*Prot. n. 39402/2020*).

ORGANIZATION OF CONFERENCES

Member of the organizing committee of three international conferences:

- *Eu-SPRI Early Career Researcher Conferences (ECC): "Sustainability in Science, Technology and Innovation (STI) policy: between complexity and uncertainty"*, CNR-IRCrES, Rome, 6-7-8 March 2024.
- *Eu-SPRI Early Career Researcher Conferences (ECC): "Public R&D funding and evaluation: Methods, Trends and Changes"*, CNR-IRCrES, Rome, 26-28 September 2018.
- *Eu-SPRI Early Career Researcher Conferences (ECC): "Crossing boundaries in scientific knowledge creation and transmission: trends, challenges and policy implications"*, CNR-IRCrES, Rome, 14-16 October 2015.

PARTICIPATION IN EUROPEAN RESEARCH INFRASTRUCTURES

(2014 - ongoing) **RISIS - Research Infrastructure for Science and Innovation policy Studies**

This research infrastructure is included in the National Plan for Research Infrastructures (PNIR) 2021-2027 and integrated into the network of infrastructures of the FOSSR Project - Fostering Open Science in Social Science Research. RISIS involves prestigious universities and research institutions across Europe and is dedicated to managing research data in the field of Science, Technology and Innovation. The research infrastructure is organized into 15 datasets and 2 registers. Main activities carried out: co-coordination of project training activities (until 09/2018); research activities on transnational and national R&D programs; data curation and management of the datasets curated by CNR: JoREP 2.0 - Joint Research Programmes Database and EFIL - European Dataset of Public R&D Funding Instruments.

(2024 - ongoing) **GUIDE - Growing Up In Digital Europe: EuroCohort**, a European research infrastructure recognized by the European Strategy Forum on Research Infrastructures (ESFRI), which constitutes a distributed, integrated, and sustainable platform for services to Social Sciences and Humanities. In particular, it supports the international scientific community by enabling high-quality research on the well-being of children and young adults. Main activities carried out: CNR-IRCrES representative for the GUIDE.IT Joint Research Unit along with Dr. Valentina Lamonica.

TEACHING ACTIVITIES / SEMINARS

- (a.y. 2023/2024, a.y. 2024/2025, a.y. 2025/2026, a.y. 2026/2027) Course "Quantitative Methods for User Research" (SPS/07, 6 CFU, 40 ore) at the Master's Degree Program in 'Communication, Innovation, and Experience Design' (LM-91) at LUMSA University, Rome.
- 17 December 2025: Seminar "Opt-in panels for survey research. Methods, potential, and limitations for studying behaviours and preferences", Department of Economics and Business of the University of Catania.
- 26-27 September 2024: Course "Exploring research infrastructure data through advanced statistical applications", online training (course curation and organization, and teaching).

- 27 June 2024: Seminar *Value and potential of research infrastructures in the social sciences* (with Emanuela Varinetti), at the Second-level Master Programme in Social Data Science, University of Milan-Bicocca.
- 6-7 December 2023: FOSSR Learning Session *Designing socio-economic policy evaluation: learning through FOSSR*, hybrid event - online and in-person at CNR-IRCrES, Rome (format co-creation, organization, and teaching assistance).
- 25 May 2022: RISIS2 Project 10th RISIS Policymakers session: *EFIL & NATPRO, inside R&D funding programs and instruments*, online: presentation of the policy brief by Heller-Schuh, B., Reale, E., Scherngell, T., Spinello, A.O., Varinetti, E., Zahradnik, G., Zinilli, A., New insights into project-based R&D funding from RISIS datasets: Some evidence from EFIL and NATPRO.
- 30 January 2021: Seminar *Valorizzare le relazioni tra 'colleghi a distanza': metodi e pratiche per favorire il networking*, at the two-year 2nd level Master Programme "Heritage Cultures: Knowledge, Conservation, Valorization, Management" at the Department of Architecture, University of Rome Tre.
- 24 May 2019: Seminar *Orientati al futuro: Ricerca sociale e dati istituzionali come ambito di sviluppo professionale*, Department of Sociology and Social Research at the University of Catania.
- 20-21 November 2017: International course *Introduction to methods and applications to the JoREP/EUPRO database with Network Analysis approaches*, CNR-IRCrES, Rome (also organized the course).
- 25-26 May 2017: International course *Exploring JoREP 2.0: features and potential uses in the studies on Europeanisation of research activities*, CNR-IRCrES, Rome (also organized the course).
- 27-28 November 2014: International course *Joint and Open Research Programmes: features and potentialities of the JOREP database*, CNR-IRCrES, Rome (also organized the course).

WEBSITES

- (2023) Design and creation of the **Website of the Eu-SPRI-ECC Conference: "Sustainability in Science, Technology and Innovation (STI) policy: between complexity and uncertainty"**, CNR-IRCrES, Rome, 6-7-8 March 2024: <https://eccrome.ircres.cnr.it/>

ASSIGNMENTS

❖ Institutional and governance appointments

- **Member of the Institute Board of CNR-IRCrES** – Research Institute on Sustainable Economic Growth (*since February 2024, for a 4-year term*) and **Safety Officer for the Rome seat of the Institute** (*since September 2025*).
- **Member of the ISTAT Quality Circle**: 04. Population and family; living conditions and social participation (*since May 2025 – ongoing: ISTAT – DOP/653/2025 register dated May 28, 2025; ISTAT – DOP/84/2026 register dated February 17, 2026*).
- **Member of the Executive Committee of the PNRR-IR Project FOSSR** – Fostering Open Science in Social Science Research (*since May 2023 to June 2026*).
- **Member of the Scientific Committee of the Second-Level Master's Program "Social Data Science"** – University of Milano-Bicocca (*since September 2023 to September 2025*).

❖ Editorial roles

- Member of the **Scientific Committee of the series "Quaderni IRCrES"** (*since April 2023*).
- Member of the **Editorial Board of the series "Quaderni IRCrES"** (*since March 2023*).
- Member of the **Editorial Board for "Rapporto Tecnico CNR-IRCrES" and "CNR-IRCrES Working Paper"** (*since March 2023*).

- Member of the **Editorial Team for the series “Itinerari per l’Alta Formazione”** (*since March 2023*).
- **Front Office** of the Editorial Team for all CNR-IRCrES editorial lines (*since March 2023*).

❖ **Evaluation and selection committees**

- **President of a selection committee** for CNR research fellows (*1 time in 2024*).
- **Member of selection committees** for fixed-term CNR staff (*2 times in 2023*).
- **Secretary of selection committees** for permanent CNR staff *1 time in 2026*).
- **Secretary of selection committees** for fixed-term CNR staff (*5 times, from 2019 to 2024*).
- **Member of selection committees** for CNR research fellows and scholarships (*6 times, from 2021 to 2022 and 2026*).

❖ **Scientific review activity**

- **Reviewer** for:
Research Evaluation; Science and Public Policy; BMC Public Health; Working Paper IRCrES; Heliyon – Cell Press; The Future of Science and Ethics.
- One PhD dissertation at Sapienza University of Rome – PhD School in Social Sciences and Economics.

❖ **Thesis supervision**

- Supervision of two theses at LUMSA University Master’s Degree Program in 'Communication, Innovation, and Experience Design'

❖ **International representation**

- **Italian delegate, representing the National Institute of Statistics, at the OECD Working Party of National Experts on Science and Technology Indicators (NESTI)**, held on 25–26 October 2018 at the OECD Conference Centre in Paris.

Last update: September 2026.
